

## London District Science Olympics

Minutes of a meeting held on 13 June 2000

Present: Kim Maynard, Rhonda Milton, Paul Theriault, Patrick Whippey

Astronomy ideas:

- (a) Identify Constellations
  - (b) Make a star map
  - (c) Look at a set of pictures - find the planet
- Possible contacts: Jim Moorhead, John Percy

Constellations - a map of stars in a circle, and a list of constellations. Connect them with lines.

Make a star map. Hang stars from the ceiling. Observe them and draw a map. Or put pictures on the gym floor and observe them from the mezzanine. Can we use the courtyard?

Chemical Processes: "Build a model" relay. Do as many as you can in 25 minutes.

Balloon cars?
