Winners of the London Public Library Award at the 2016 Thames Valley Science and Engineering Fair

presented on April 3 at Althouse College, Faculty of Education, Western University.

Four projects were given this special Library Public Library Award:

- Aerodynamics by Emily Evan from Ryerson Public School
- Bacteria vs B.B.D. by Addie Boisvert and Thien Kim Tran from University Heights Public School
- London Bridge is Falling Down! by Emily Xu and Nelithma Wasage from University Heights Public School
- Smart Urban Grid: Saving the Environment by Liam O'Hanley from London Christian Elementary School

From left to right are: Liam O'Hanley, Emily Evans, Emily Xu, Nelithma Wasage, Addie Boisvert. Missing is Thien Kim Tran.
