## Faculty of Education Building

Individual Judge Schedule  
Saturday 25 March 2017 8:45 – 1:00 pm

**Full Name:** Erica Alexander  
**Judging Team Name** DE01  
**Members of your Judging Unit<sup>1</sup>:** Erica Alexander  
**Members of your Judging Team<sup>2</sup>:** Erica Alexander, Ruth Benn, Aaron Johnson  
**Award Name** Developmental Education  
**Award Criteria** Best Project by a Developmental Education Student

Time 9:30 am Project Number 38  
Student Names Tyler Brooks, Sihyun Park  
Title Miniature Basketball Game

Time 9:50 am Project Number  
Student Names --  
Title Spare

Time 10:10 am Project Number 39  
Student Names Joshua McPherson  
Title Which Cup Keeps Your Drink Warm Longest?

Time 10:30 am Project Number 40  
Student Names Aiden Stiles  
Title Weather-O-Meter - An Internet Connected Weather Meter

Time 10:50 am Project Number  
Student Names --  
Title Spare

Time 11:10 am Project Number 41  
Student Names Sara Villavecera  
Title The Mobile Soccer Net

<sup>1</sup>A Judging Unit refers to those judges who evaluate each project at the same time. Most judges will judge alone, so there is one member of the judging unit. A few judges will work in pairs, so there are two members of the judging unit.

<sup>2</sup>A Judging Team refers to the group of three or four judges who evaluate the same set of up to six projects at different times. The Judging Team will meet after judging to select the medal winners.

### Individual Judge Schedule

Saturday 25 March 2017 8:45 – 1:00 pm

**Full Name:** Alex Major  
**Judging Team Name** IL02  
**Members of your Judging Unit<sup>1</sup>:** Alex Major  
**Members of your Judging Team<sup>2</sup>:** Nicholas Handfield-Jones, Alex Major, Natalie Ossowski, Jan Polgar, Kathleen Surry  
**Award Name** Intermediate Life Science  
**Award Criteria** Best Intermediate projects in the Life Science division

Time 9:30 am Project Number 148  
Student Names James Iansavitchous  
Title Inhibiting the Proliferation of Pre-Leukemic Cells with Astaxanthin and Docosahexaenoic Acid

Time 9:50 am Project Number 152  
Student Names Reem Yasin  
Title Bean Plants can Smoke too?

Time 10:10 am Project Number  
Student Names --  
Title Spare

Time 10:30 am Project Number 145  
Student Names Leah Conway  
Title Milk Plastic: An Eco-Friendly Alternative

Time 10:50 am Project Number 147  
Student Names Wid Alshaikh  
Title Sitting or Standing? Does it Really Matter?

Time 11:10 am Project Number  
Student Names --

**Members of your Judging Team<sup>2</sup>:** Zaira Ather, Doug Clark, Ossama Mahmoud, Michael Tattersall  
**Award Name** Junior Engineering  
**Award Criteria** Best Junior projects in the Engineering division

Time	9:30 am	Project Number	13
Student Names	Sonali Patel		
Title	Can Community-based Survey Kiosks Help Students Improve Communicating about Mental Health?		
Time	9:50 am	Project Number	16
Student Names	Skyla Lar, Juliet Lownie, Michelle Smaill		
Title	Water Powered Car And The Ecosystem		
Time	10:10 am	Project Number	17
Student Names	Mahmoud Elmadhoon, Danny Song		
Title	Storm Drain (converting mechanical energy to electrical energy)		
Time	10:30 am	Project Number	18
Student Names	Zixiang Zhou		
Title	Teaching a Neural Network to Play Connect-4		
Time	10:50 am	Project Number	20
Student Names	Victoria Bennett		
Title	Pop Bottle Air Conditioner		
Time	11:10 am	Project Number	23
Student Names	Aly Soliman		
Title	SmartBin		

<sup>1</sup>A Judging Unit refers to those judges who evaluate each project at the same time. Most judges will judge alone, so there is one member of the judging unit. A few judges will work in pairs, so there are two members of the judging unit.

<sup>2</sup>A Judging Team refers to the group of three or four judges who evaluate the same set of up to six projects at different times. The Judging Team will meet after judging to select the medal winners.

**Members of your Judging Team<sup>2</sup>:** Ola Ismail, Lara Plokhaar , Sivagama Sikmani  
**Award Name** Junior Life Science  
**Award Criteria** Best Junior projects in the Life Science division

Time 9:30 am Project Number 114  
Student Names Olivia Siroen  
Title The Big Fizz: The Art and Science of Making Bath Bombs Eco-Friendly

Time 9:50 am Project Number 116  
Student Names Adalene Boisvert  
Title Breakfast of Champions

Time 10:10 am Project Number 107  
Student Names Ella Koopman  
Title Battling Bacteria

Time 10:30 am Project Number 108  
Student Names Ella Chapman, Joshua Finemore  
Title 5 Second Rule

Time 10:50 am Project Number 109  
Student Names Avery Cobban  
Title Words vs Colours

Time 11:10 am Project Number 111  
Student Names Katey Boyd, Isabella Olson-Lamari  
Title Fertilizer Fun

<sup>1</sup>A Judging Unit refers to those judges who evaluate each project at the same time. Most judges will judge alone, so there is one member of the judging unit. A few judges will work in pairs, so there are two members of the judging unit.

<sup>2</sup>A Judging Team refers to the group of three or four judges who evaluate the same set of up to six projects at different times. The Judging Team will meet after judging to select the medal winners.

## Faculty of Education Building

Individual Judge Schedule  
Saturday 25 March 2017 8:45 – 1:00 pm

**Full Name:** Tim Hain  
**Judging Team Name** SL02  
**Members of your Judging Unit<sup>1</sup>:** Tim Hain  
**Members of your Judging Team<sup>2</sup>:** Andrew Deweyert, May Gohar, Tim Hain, Mason Kadem, Rebecca Kozak  
**Award Name** Senior Life Science  
**Award Criteria** Best Senior projects in the Life Science division

Time 9:30 am Project Number 149

Student Names Kusha Sareen

Title The Effect of Different Mouthwash on Oral Micro-flora

Time 9:50 am Project Number 151

Student Names Dina Babiker, Inseo Huh, Alice Qin

Title Biodiesel, the Energy for the Future ?

Time 10:10 am Project Number

Student Names --

Title Spare

Time 10:30 am Project Number 136

Student Names Matthew Zhou

Title Neuroinflammation and Cardiac Fibrosis following Insular Ischemic Stroke

Time 10:50 am Project Number 137

Student Names Amal Aziz

Title A Switchable, Smart Trojan Horse Drug for Alzheimer's Disease  
Phototherapy

Time 11:10 am Project Number 138

Student Names Kristen Benn

Title Silver Nanoparticles: More Than Just Bling!

<sup>1</sup>A Judging Unit refers to those judges who evaluate each project at the same time. Most judges will judge alone, so there is one member of the judging unit. A few judges will work in pairs, so there are two members of the judging unit.

<sup>2</sup>A Judging Team refers to the group of three or four judges who evaluate the same set of up to six projects at different times. The Judging Team will meet after judging to select the medal winners.
